TATUM EXPANDS MID-ATLANTIC PRACTICE

Leading Executive Services firm Adds Four New Partners

Washington, DC, October 13, 2009--Tatum LLC, the largest executive services firm in the United States, today announced that it has added Luigi D'Amato, Bennett Goldstein, Curtis Scheel, and Bart Snell as Partners in Tatum's Mid-Atlantic Practice.

"Luigi, Bennett, Curtis and Bart are seasoned financial leaders whose experiences are critical to our client relationships and will help Tatum continue our momentum in the marketplace," said Peter A.S. Pfeiffer, Managing Partner of Tatum's Mid-Atlantic Practice.

Luigi D'Amato's 20 year career includes working in the Federal Defense Industry and with public and privately held companies. D'Amato is regarded as a specialist in driving EBITDA and Cash Flow improvements. During his career, he has also had success in Operational and Financial Turnarounds, Mergers & Acquisitions, Joint Venture Start-ups, Investor and Bank relationships and has a strong knowledge in the entire Federal Procurement Process, with emphasis on FAR and CAS compliance.

D'Amato holds a Master of Business Administration from the Kogod School of Business at American University in Washington, DC.

Bennett Goldstein brings 39-years of career experience including serving as the Chief Financial Officer and Consultant of established, emerging growth and nonprofit organizations in the retail, e-commerce, distribution, food processing, higher education and service segments. Goldstein's career successes include; financing and negotiating a \$250 million working capital line of credit while interim CFO of NetCom Solutions International; reducing operating expenses by 25% and restructuring the accounting and finance departments while in the position of CFO of a privately held technology company. As Interim Controller of Washington College, Bennett managed the closing of the College's accounts prepared the annual financial statements and tax returns and managed the audit process with the external auditors.

Curtis Scheel specializes in financial and operational leadership, capital raising, bank relations and financing, risk management, cash flow analysis and process improvement. As President and CFO for Ritz Camera Centers/Boater's World and Cameraworld.com, Scheel directed restructuring plan development with significant expense reduction and performance improvement initiatives. Scheel has negotiated numerous secured financing facilities ranging from \$10 million to over \$400 million and directed public market capital raising activities in his financial leadership roles with Ritz Camera Centers and Microage. Curtis is a member of the Board of Directors of Pacific Biometrics, Inc., and serves on the Audit Committee and is Chairman of the Governance Committee. Scheel holds a Master of Business Administration and Bachelor of Business Administration from the University of Wisconsin-Madison.

During his career, Bart Snell raised over \$800 million as the CFO of public and private entities, from early stage to Fortune 100, and in a variety of debt and equity instruments. Snell spent over 16 years at IBM, gaining financial leadership experience in manufacturing and development, international country operations, corporate headquarters, and mergers and acquisitions. Snell was also the, founder of PowerSource Solutions, an outsource C-level consulting firm focused on technology companies, where he advised firms in various business stages. Snell holds a Master of Business Administration from the University of Texas at Austin and a Bachelor of Science in Commerce from the University of Virginia.
