Tatum Provides Financial, Healthcare and IT Consulting Services for Altarum Institute

Tatum, LLC's Mid-Atlantic Practice To Support Altarum Institute's Mission of Improving Human Health through Research, Technology, Analysis and Consulting with Financial, Healthcare and IT Consulting Services

WASHINGTON, D.C., September 20, 2009– Tatum, LLC, the nation's largest executive services firm, has entered into a strategic partnership with Altarum Institute, a nonprofit health care systems research and consulting organization serving government and private-sector clients. Tatum will provide financial, healthcare and IT consulting services that will help Altarum continue to provide superior services to their clients.

“Altarum represents an excellent channel partner for Tatum. Their mission is in line with the intersection of our fastest growth areas regarding information technology, health care, and government services. We have an exceptional pool of professionals who can provide dynamic flexibility to meet their needs,” said Peter A.S. Pfeiffer, managing partner of Tatum's Mid-Atlantic practice. “Offering strong executive services will assist Altarum in fulfilling client needs. Tatum is pleased to be a partner in their efforts.”

“We are excited by the opportunities this partnership with Tatum will provide us,” said Linc Smith, President and CEO of Altarum Institute. “Tatum's commercial industry knowledge and experience, as well as its insight into what strategic innovations and approaches best meet the needs of commercial payers and providers, will be an invaluable resource for Altarum.”

About Altarum

Altarum Institute (www.altarum.org) integrates objective research and client-centered consulting skills to deliver comprehensive, systems-based solutions that improve health and health care. A nonprofit serving clients in the public and private sectors, Altarum employs more than 350 individuals and is headquartered in Ann Arbor, Michigan with additional offices in the Washington, D.C. area; Atlanta, Georgia; Portland, Maine; and San Antonio, Texas.
