## **Tatum Provides Financial Leadership Consulting to TCoombs & Associates LLC**

*Tatum, LLC's Mid-Atlantic Practice Provides Financial Leadership Consulting Services to TCoombs & Associates LLC.*

**WASHINGTON, D.C., October 5, 2009**– Tatum, LLC, the nation's largest executive services firm, has provided Financial Leadership Consulting services to TCoombs & Associates, LLC an 8(A) certified, Service Disabled Veteran owned small business that provides clients with cost-conscious services in a range of industries including Security, Healthcare and IT.

TCA's rapid growth has been nothing but spectacular. However with this rapid growth has come the expected "growing pains". This has been especially true within their financial department. TCoombs & Associates have had to change their financial software while dealing with rapid growth and acquisitions. These "pains" have caused daily financial operations to be "strained" while at the same time the increasing the need to produce dynamic reports tied to current operations and "downstream" reports.

"TCoombs & Associates represents the kind of project work that Tatum does with velocity for clients in transition. Our partners were able to assist TCoombs & Associates in dealing with liquidity and repositioning themselves with their bank in reference to mentoring and protégé programs, said Peter A.S. Pfeiffer, managing partner of Tatum's Mid-Atlantic practice. "Tatum's ability to resolve issues through Financial Leadership Consulting is the type of value proposition that we strive to deliver to our clients."

"As part of TCA's banking strategy during this rapid growing period, we engaged two Tatum professionals. With their banking and CFO experiences, they were able to immediately understand what we were dealing with and to put in place detailed steps to deal with on-going acquisitions; achieving increased banking "line-of-credit" and designing reporting tools that are far beyond what most CFOs would use, said Michael Perry, Chief Operating Officer of TCoombs & Associates. "Partnering with Tatum has helped position TCA to exceed its \$100 Million revenue goal. We consider Tatum as part of our team and plan to engage them throughout our continued growth."
